ACCOUNTANT'S REVIEW REPORT

To the Board of Directors
New England Educational Opportunity Association
Boston, MA 02215

I have reviewed the accompanying statement of financial position of **New England Educational Opportunity Association** (a non-profit corporation) as of August 31, 2007, and the related statements of activities and changes in activities, functional expenses, and cash flows for the year then ended, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of **New England Educational Opportunity Association**.

A review consists principally of inquiries of organization personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles.
